

# PARKING ETIQUETTE

We must be Respectful of Neighbours and Parking Regulations

With respect for our neighbours and to avoid parking violations when dropping off and picking up students from classes, please obey these street parking regulations.

Although this only takes minutes, we must follow By-Laws.

To this end, please respect these Parking Regulations:

## **DO NOT PARK:**

**Within 3m of a Fire Hydrant.**

**Within 1m of a Driveway.**

**On the Sidewalk or Grass.**

---

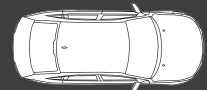

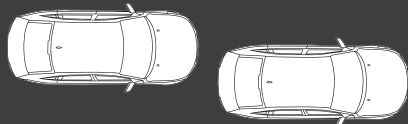

**Vehicles must park parallel to the road and facing the direction of traffic.**

---

**Vehicles cannot block sidewalk when parked in driveway.**

## **Please Do Not Park on This Side of the Street**

This will help with traffic flow and help keep our students safe, as they won't have to cross the road amidst traffic.

**Please Park on This Side of the Street (with the Sidewalk)**
