

PARKING ETIQUETTE

We must be Respectful of Neighbours and Parking Regulations

Although it only takes minutes when dropping off and picking up students, with respect for our neighbours and to avoid parking violations, please obey these street parking regulations.

***VEHICLES CANNOT BLOCK SIDEWALK
WHEN PARKED IN DRIVEWAY***

DO NOT PARK:

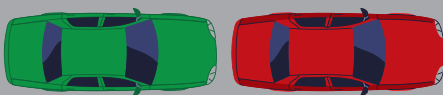

- On the Sidewalk or Grass
- Within 3m of a Fire Hydrant
- Within 1m of a Driveway

**Vehicles must park parallel to the road
and facing the direction of traffic**

Please Do Not Park on This Side of the Street

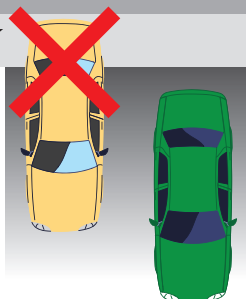

This will help with traffic flow and help keep our students safe, as they won't have to cross the road amidst traffic.

Please Park on This Side of the Street (with the Sidewalk)

DO NOT BLOCK SIDEWALK
